Five / FEATURES

DESIGNED WITH
SUSTAINABILITY
IN MIND FOR A
BETTER FUTURE.

Natural Tree Shading

The landscape is carefully designed to provide shade across most streets, effectively lowering the overall temperature of the community.

This strategic landscaping not only enhances the aesthetic appeal but also helps reduce energy consumption for cooling. Additionally, rainwater and waste water are reused for irrigation, further promoting sustainable practices within the community.

To promote a healthy lifestyle and minimize car transportation, Newkairo features well-designed jogging, walking, and biking lanes alongside a thoughtfully designed boulevard that encourages walking and running.

This comprehensive approach not only makes it easy for residents to embrace an active way of life but also integrates electric transportation options, providing convenient access to all amenities throughout the community.

Green Urban Public Spaces

Newkairo boasts an abundance of green spaces that not only enhance oxygen levels but also encourage a reduction in car usage, promoting a healthier lifestyle for all residents. This fully integrated destination transforms urban living in Cairo, inspiring a vibrant community where living, working, and recreation seamlessly merge. With every amenity and activity within reach, Newkairo allows residents to thrive in a self-sufficient environment without the need to venture elsewhere

REVOLUTIONIZING
SPACES WITH
ARTIFICIAL
INTELLIGENCE.

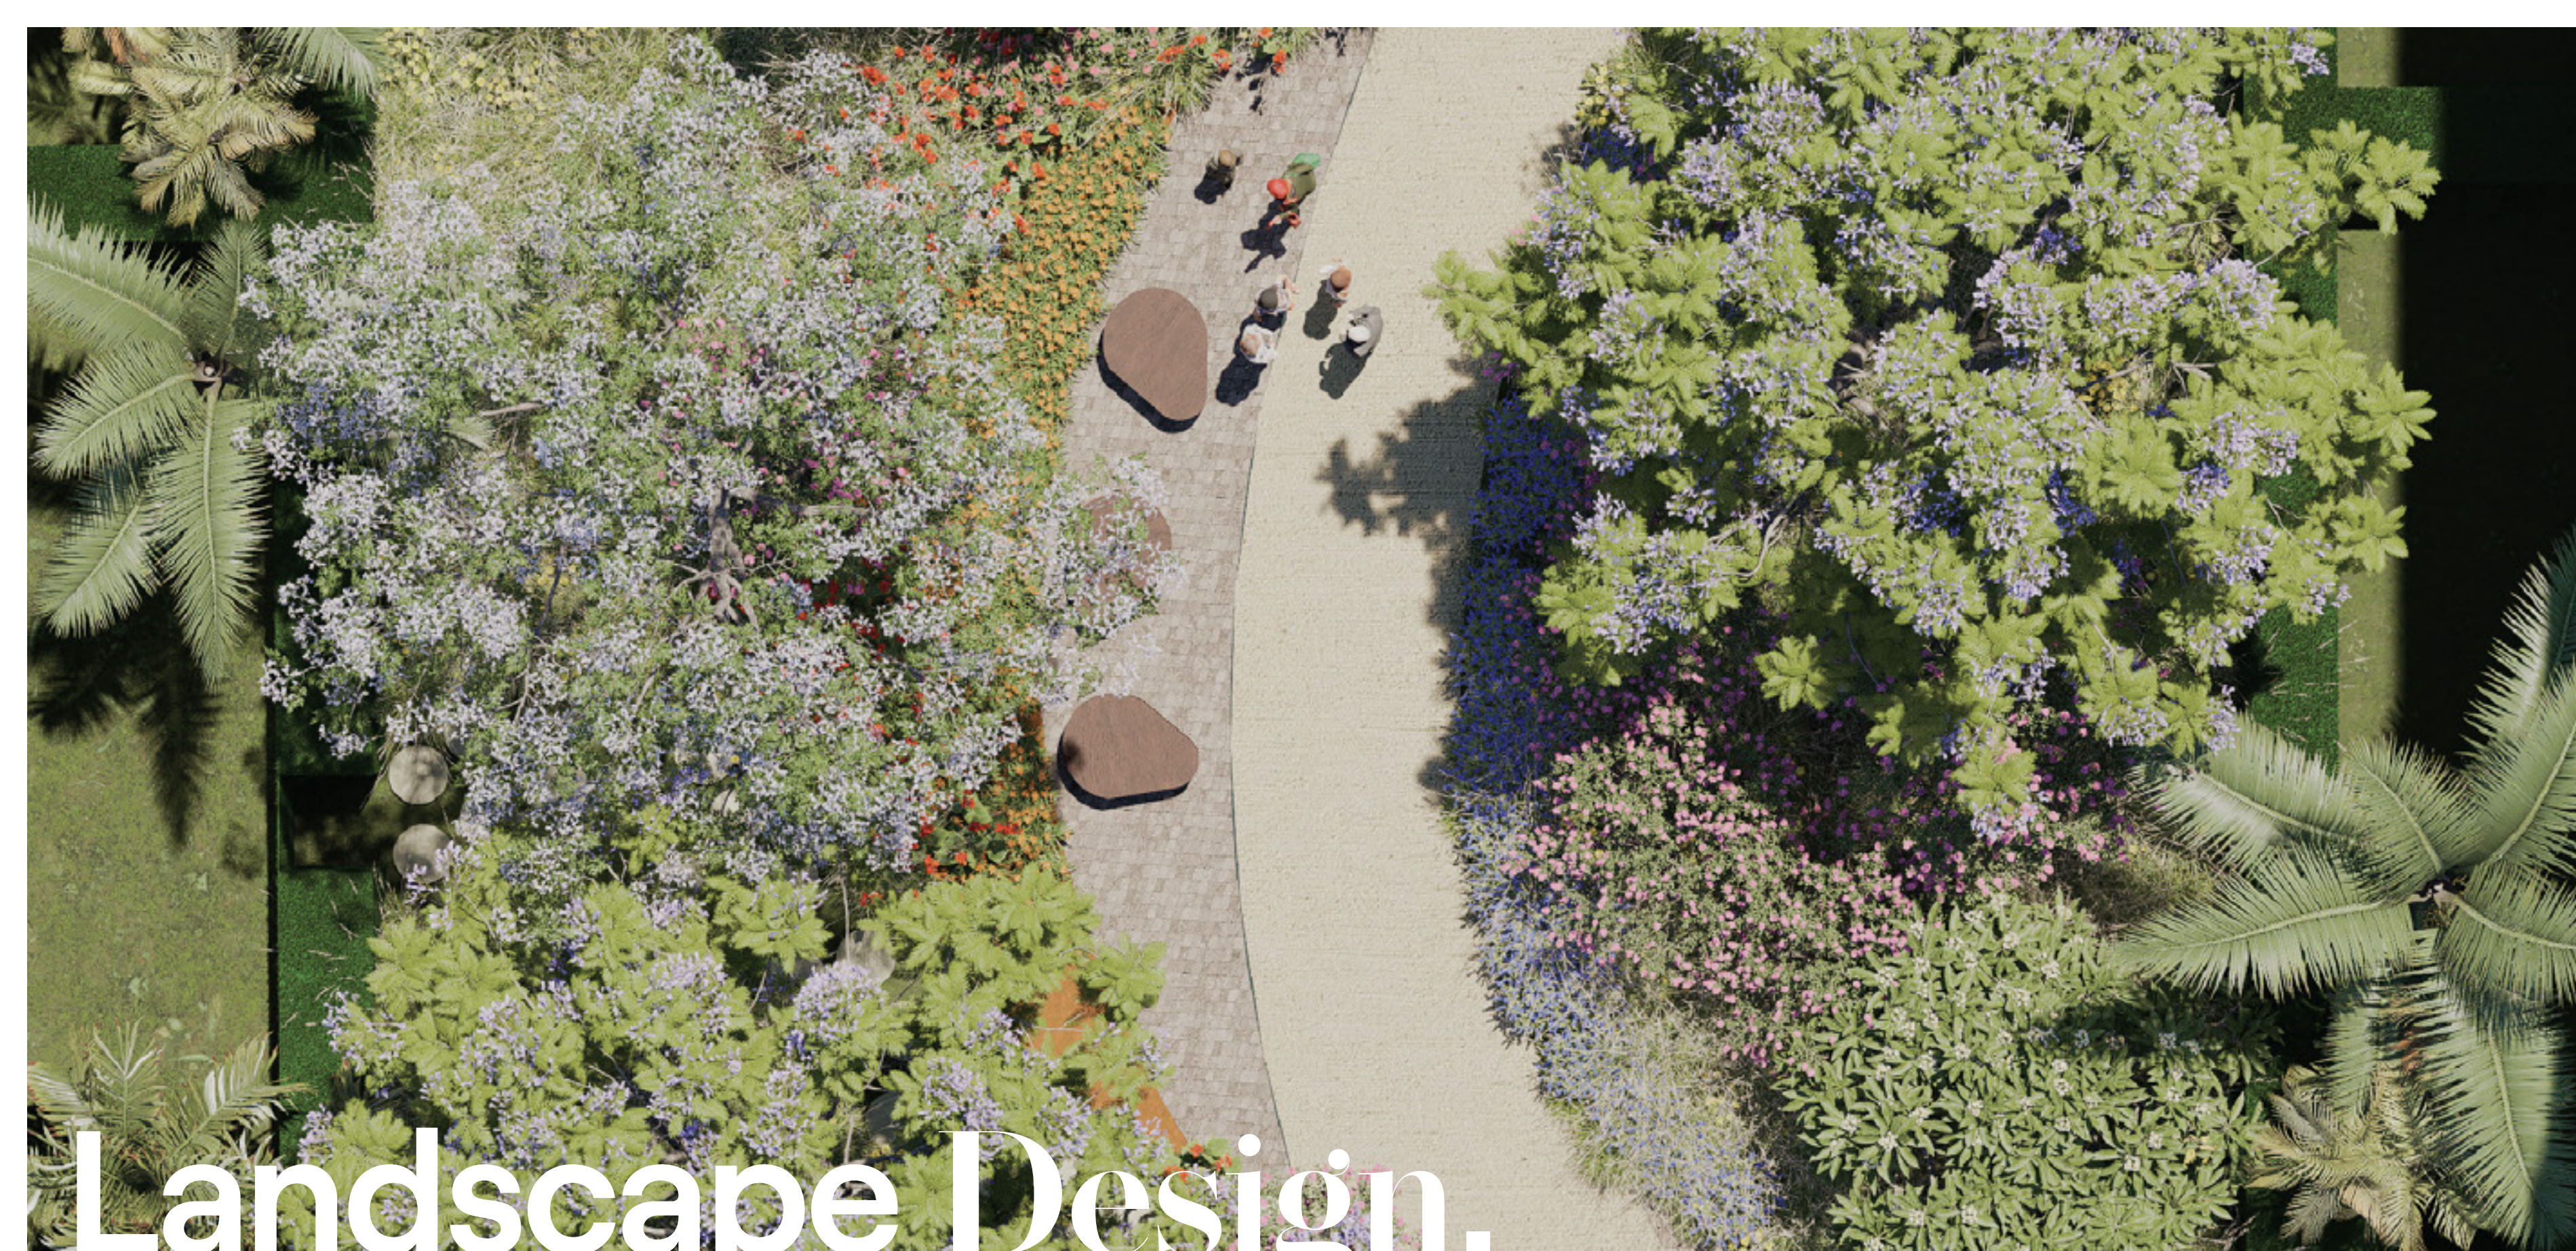

At Newkairo, quality and aesthetics come together in perfect harmony. Here, modern homes capture contemporary architecture that not only captivates the eye but also embraces sustainable materials. Innovative layouts prioritize spaciousness and natural light, creating inviting interiors that seamlessly connect with the outdoors.

Every detail reflects a commitment to modern living, allowing residents to belong to a comfortable haven that feels both luxurious and in-tune with nature.

Community & Connection.

Newkairo is more than just a place to live—it's a thriving community, breathing with ever-green possibilities. Open green parks that know no bounds, lively recreational areas, and communal spaces come together at your doorstep, not only promising a rich social life, but also engaging in uplifting activities while building lasting connections with like-minded neighbors.

Newkairo offers family-friendly zones with safe, modern play areas for kids and relaxing green spaces for parents. It's a place to connect, play, and create memories. The parks cater to wellness enthusiasts with outdoor fitness areas and serene spaces for yoga and meditation.

The destination also features green spaces for relaxation, accessible amenities, and services, making it a self-sufficient and convenient community for all.
